

# headspace Dandenong launches its first GP in school initiative.

On Tuesday 14<sup>th</sup> November, headspace Dandenong launched its first GP clinic at Oakwood School in Noble Park.

Both our Nurse, Anne and GP, Andrew alongside our Peer Support Worker Andrea were available on the day to answer questions about the clinic, while also providing and creating an environment that was youth friendly, fun, supportive and welcoming.

The young people and their teachers had a great day, with sparking apple juice, prizes, games, music and giveaways on offer throughout the day.

The feedback received was great, and we cant wait to continue providing a supportive GP service to those at Oakwood School.

*“Fantastic! We had a great day - Andrew and Anne were great, and it was fabulous to have Andrea come too.”*
